Welcome to Christian Academy in Japan

Equipping students to serve Japan and the world for Christ

Christian Academy in Japan (CAJ) is a K-12 school established in 1950 to provide Christ-centered education to the children of evangelical missionaries. While continuing in this purpose, CAJ also serves other families who desire this type of education for their children. We serve more than 470 students in our day school program and more than 220 students in our School Support Services program. Our program uses English as the language of instruction and an American curriculum model.
