

## CAJ High School Cumulative GPA Data

GPA's rise as students move through high school, with the grade 9 cumulative GPA tending to be the lowest and with the grade 12 cumulative GPA being the highest. In grades 10 – 12, students take AP classes. AP classes use a 5-point GPA scale instead of the usual 4-point GPA scale. In grades 11 - 12, students are not required to take math and science.
