News in brief

► **Technology update** Efforts to increase educational use of technology are continuing. One-to-one programs are in place with iPads in the kindergarten and first grade and with laptops in Grades 10–12. The three computer carts (“computers on wheels,” a.k.a. cows) are used extensively in 2nd through 9th grades. Virtually all classrooms are equipped with projectors and sound systems; Apple TV is available in some classrooms. Training continues for everyone—student and staff alike—on the responsible and sustainable use of technology to enhance student learning.

Without Love, a musical revue, was presented last February. Featuring a cast of 27 middle school and high school students and accompanied by the jazz band, the show was a compilation of songs from musicals and the big band era. Set in a high school gym, the action revolved around decorating for a Valentine’s Day event with all the attendant high school student emotional drama of who loves who, who’s mad at who, etc. Featured songs included “What do I Need With Love?,” “It Had to be You,” “Let’s Call the Whole Thing Off,” “Guys and Dolls,” “Forget About the Boy,” and, of course, “Without Love.” Little Women, the musical by Jason Howland and Mindi Dickstein, will be the musical in February 2014.

Bruce (headmaster ’86–’94) and Ruth Hekman visited in November. Bruce presented a leadership lecture to the staff, gave a training session to the Leadership Team and one to the board on planning for the future of CAJ.

A brand new Nissan bus arrived on campus in September. The previous bus was purchased in 1996 and sold in 2005. Selected CAJ staff have received the training required by the Japanese government for a bus license. This beauty is a most welcome addition to the CAJ fleet.

▲ **AP classes** During this school year, CAJ is offering 15 advanced placement (AP) classes, the most that have been offered officially. CAJ is also going through the AP audit process this year, which will ensure that all offered classes, backed by syllabi and curriculum maps, are approved by the College Board.

Increasing numbers of students are taking a regular science class concurrent with an AP science class in a different discipline. In the current school year, a significant number of 10th and 11th grade students are working toward a high school transcript which will include up to six laboratory science classes.

During the May 2013 testing period, 85 students took 166 tests achieving a 75% passing rate (receiving a score of 3–5). There were 13 AP Scholars (scoring 3 or higher on three exams), four AP Scholars with Honor (3.25 average or higher on all exams during a HS career) and six AP Scholars with Distinction (3.50 average or higher on all exams during a HS career).

Current AP class offered include biology, calculus AB, calculus BC, chemistry, English language and composition, English literature and composition, physics, psychology, Spanish language and culture, studio art, US history, and world history.

▲▲ **Science Day** October 25, Thrift Shop day, was also Science Day. Middle school students chose to make a catapult, a mousetrap car, or a spaghetti bridge. Once they decided, they spent several months using the scientific method to research their project, build the model at home, test it, and make modifications. On the day, parents and students watched the Science Day competitions.

▲ Science demonstrations were also done by high school students in AP biology, AP chemistry, and physical science classes. Students taught topics such as Newton’s laws using hovercrafts, the benefits of hand-washing by showing petri dishes of bacteria, and density by using dry-ice bubbles.

Strong in the Lord: On any given Friday (staff casual day) a good number of navy blue T-shirts will be seen on staff across the campus. Featuring a design by alumni Justin Barber (’11), the staff T-shirt for 2014 reflects the motto in the CAJ logo, In Domino Fortis (Strong in the Lord). Justin was the 2011 Habbestad Fine Art Award winner and the student selected by his classmates to speak at the 2011 graduation. Justin’s work may be seen at <http://www.behance.net/justinbarber>.

Why does CAJ matter?

Rock

CAJ matters because it remains a steadfast rock that fulfills, with passion, dedication and delight, its stated mission of equipping students to impact the world for Christ.

Though CAJ looks very different in many ways from generations past, we have intentionally protected our core mission of providing a quality education designed to accommodate the unique needs of missionary families. We are fully committed to providing the best possible education for all our students including a full range of exceptional sports, music, service and other opportunities. We also continue to attempt to weave Christian values and worldview formation into everything we do.

We are so blessed that our children can attend CAJ. The Christ-centered, gracious environment where the staff really seek to develop students who will impact the world for Christ is a great blessing to us. —Karen Nakamura, parent

CAJ reinforces a Christ-centered worldview, not treating Bible as a mere subject, but as the foundation of all living and learning. —Evangeline Kindervater, parent

With one of our children having special needs and with none of our children thriving in Japanese school, CAJ has made it possible for us to remain on the field without a sense of sacrificing our children's future. In fact, we believe CAJ to be the best possible option for them anywhere and it is part of the reason we are committed to staying in Japan long term. —Parent

CAJ develops a mindset in students and provides an atmosphere that encourages them to be involved in outreach. This results in many students continuing efforts to spread the Gospel in Japan in their later life. —Don Love, parent

I fully expect that God has situated CAJ in Tokyo at this time and place to be part of the revival and restoration of Japan and Japanese culture. —Dave McDaniel, parent

Through the community, non-Christians can meet a lot of Christians in a very natural environment. Some non-Christian parents join Bible studies or become Christians. —Amy Pao, parent

CAJ has projects for the students such as the homeless outreach in winter time and the Tohoku outreach for earthquake and the tsunami victims of Japan. CAJ is helping to start the next generation of God's workers. —Yoko Nanri, parent

In Bible class we discussed that we are the only Bible some people ever "read." —Shion Fukuzawa, senior

Ripple

CAJ matters because its impact on Japan ripples out in increasingly diverse and substantive ways.

Rick Seely, CAJ alumni and current business manager, remarked recently that CAJ is far more "local" that it used to be. More and more of our graduates are either returning to Japan to live, or are choosing to stay in Japan to attend college, work or minister. That is at least partly reflected in the fact that our single biggest demographic for students is mixed passport (inter-cultural marriages). These strong connections to Japan mean that we are increasingly preparing students to impact Japan daily and throughout their lives. Through the lives and ministry of our students, alumni and families, CAJ is impacting Japan in the same way ripples expand to affect a wide area when a rock hits the water.

Divides between us and them dissolve in the face of a classroom full of mixed ethnicities and cross-cultural marriages. We seek relevance and humility as we live our lives with our Japanese neighbors. We want to become friends, pursue permanent residency, learn Japanese — not just to preach, but to take out the trash, vaccinate our kids, chat with our neighbors. I'm not really sure what the next phase of ministry in Japan will look like, but I'm excited to be part of it, and I'm glad we're here at CAJ at this time. —Caitlin Potter, staff

IN MEMORIAM

Carolyn Eddans (former staff) began her service at CAJ in 1989 as a typing teacher and left Japan in 2005 after serving as the headmaster's secretary. She was a missionary with OMSI (One Mission). She died on July 6, after suffering with declining health for many years. Her memorial service on July 12 was a joyful celebration of her home-going.

Philip Foxwell, Sr., passed away peacefully in his sleep just a month short of his 99th birthday on September 29, in Alhambra, California. Phil was a remarkable man who loved Jesus, people and Japan, and used magic to break down barriers over the decades. During his 32 years in Japan, serving with Mission to the World (formerly World Presbyterian Mission), he founded the Tokyo Theological Seminary, which evolved into Tokyo Christian Institute. Following his years in Japan, he served for more than 25 years at the U. S. Center for World Mission in Pasadena, California. A memorial service was held in Alhambra on October 13. Phil is survived by his second wife, Eilleen (Lea) Eckhardt Foxwell; his first wife Jane Buswell Foxwell preceded him in death in 1999.

His four children: Mary Loeks ('64), Martha Berg ('66), Linda Pettit ('71) and Philip, Jr. ('75), and 11 of his 14 grandchildren—Jesse Berg ('91), Philip Berg ('93), Andrew Berg ('95), Caitlin Potter (Pettit, '98, current staff), Lydia Young (Pettit, '00), Alanna Foxwell-Barajas ('02), Tyler Foxwell ('04), Isaac Pettit ('06), Jordan Foxwell ('06), Josiah Pettit ('06), Marisa Foxwell ('09)—attended CAJ. He was also father-in-law to Gaius Berg ('65), pastor at Kurume Bible Fellowship and a CAJ board member, and to Anda Foxwell, CAJ's high school principal. Foxwell wrote an autobiography (1989) entitled *Philip Foxwell, Missionary Magician*.

Tom Mitchell (former staff) served with TEAM from 1949–1962 and was assigned to CAJ from 1953 to 1962. Tom returned to CAJ as the "designated substitute" with his wife, Hillie, during 1999–2000. Tom died of a cerebral hemorrhage in January.

Judi Loiacono (Carrico, '64) passed away July 11 in southern California. She collapsed the previ-

ous evening and spent several hours in ICU before slipping into glory. Judi was preceded in death by her parents and a brother, Daniel ('73), and is survived by brothers David ('67), Tim ('74), Tom ('77), James ('81), Mark ('84) and sisters Mary Beth Hida ('68), Rebecca Carrico ('70) and Debra DiGiovanni ('78). Judi leaves behind her husband, Mike, and two grown sons, who will miss her greatly; she was 67 years old.

Kathy Benton (Frazier, '74) passed away January 10 of ovarian cancer at age 56. She served many years as a missionary in the Kansai area. She is survived by her husband, Mark, and three children, Andrew, Jay and Ellie.

David Rowser ('03) was shot and killed in a robbery on December 26, 2011, at One Guy pizza restaurant in Lubbock, Texas. According to sources, David was going about his duties at the restaurant when he encountered the robbers. Before coming to CAJ, David had lived in Moldova and Kobe. He was a member of the choir at CAJ, and he worked in a Japanese coffee house. He was a member of the Alpha Tau Omega fraternity at Texas Tech University.

▼ Will Mejia ('00) made a visit to Japan last spring, seen here with Martie Tarter (current staff).

▲ While on a short-term missions trip to Africa in 2012, Stephen Anquist ('02) ran into Ellen Ellison ('04) who was teaching at Rain Forest International School in Yaounde, Cameroon.

CAJ PRAYER REQUESTS

- ✦ Ask God to draw non-Christian Japanese to himself. Few Japanese believe in Jesus, while many Japanese believe in materialism, Buddhism and Shintoism.
- ✦ Ask God to use CAJ families as they participate in local churches. Ask God to help parents with church responsibilities (including parents who serve with over 30 missions) to provide effective leadership.
- ✦ Ask God to help CAJ staff effectively equip students to impact Japan and the world for Christ. Ask God to provide staff with the energy and good health they need to serve effectively.
- ✦ Ask God to help each CAJ student to learn about God's world and Word, develop a biblical worldview, and serve God and others.
- ✦ Ask God for safety and protection as our students commute to and from school on bicycle and public transportation, as they minister through music and sports outreach, as they reach out to the world around them through ministry to the homeless, the elderly, and through Christian camping and English conversation participation.
